

# Sunflowers

## Feature Products:

**P63ME70** DuPont™ ExpressSun® sunflowers NuSun®  
**Mid-Oleic / NuSun® Oil**

- Built-in tolerance to Express® herbicide
- Outstanding yield potential
- Solid agronomic package

**63A21**  
**Linoleic**

- Early maturity short stature hybrid
- Excellent emergence
- Very good drydown
- Shorter plant height

**P63ME80** DuPont™ ExpressSun® sunflowers NuSun®  
**Mid-Oleic / NuSun® Oil**

- Excellent yield potential
- Outstanding oil content
- Very good stalk and root strength

## Characteristics
